Anchorage

There are many excellent anchorages along the Northeast Coast of Brazil. Some of the most popular include:

- **Baía da Traição** is a large bay with good protection from the prevailing winds. There are several anchorages in the bay, including one near the town of Baía da Traição.

- **Ilha do Mel** is a small island located just off the coast of Ceará. The island is surrounded by a coral reef, which provides good protection from the waves. There are several anchorages around the island, including one in the lagoon on the north side of the island.
- **Porto Seguro** is a historic town located on the southern coast of Bahia. The town has a large marina, as well as several anchorages in the bay.

Marinas

There are several marinas along the Northeast Coast of Brazil. Some of the most popular include:

- **Marina da Barra** is located in the city of Salvador, Bahia. The marina has over 500 slips, and it offers a wide range of amenities, including a pool, restaurant, and fitness center.
- **Marina do Forte** is located in the town of Forte do São João, Bahia. The marina has over 200 slips, and it offers a variety of amenities, including a pool, restaurant, and laundry.
- **Marina Itaparica** is located on the island of Itaparica, Bahia. The marina has over 100 slips, and it offers a variety of amenities, including a pool, restaurant, and bar.

Harbours

There are several harbours along the Northeast Coast of Brazil. Some of the most popular include:

- **Porto de Natal** is located in the city of Natal, Rio Grande do Norte. The harbour is one of the largest in Brazil, and it can accommodate

large ships.

- **Porto de Fortaleza** is located in the city of Fortaleza, Ceará. The harbour is one of the busiest in Brazil, and it handles a variety of cargo.
- **Porto de Salvador** is located in the city of Salvador, Bahia. The harbour is one of the oldest in Brazil, and it has been used for centuries by ships from all over the world.

Other Useful Information

In addition to the information on anchorages, marinas, and harbours, this guide also provides a wealth of other useful information for sailors. This information includes:

- **Weather conditions:** The Northeast Coast of Brazil has a tropical climate, with warm temperatures year-round. However, there is a rainy season from December to May, and sailors should be prepared for heavy rain and thunderstorms during this time.
- **Tides:** The tides along the Northeast Coast of Brazil are relatively small, with a range of only about 2 meters. However, sailors should be aware of the tides when entering or leaving harbours or marinas.
- **Navigation hazards:** There are several navigation hazards along the Northeast Coast of Brazil, including reefs, shoals, and wrecks. Sailors should be sure to chart their course carefully and be aware of their surroundings at all times.
- **Customs and immigration:** Sailors who are planning to enter Brazil must clear customs and immigration. The process is relatively simple, but sailors should be sure to have all of their necessary documents.

The Northeast Coast of Brazil from Paraiba to Bahia States is a beautiful and diverse region, with a rich history and culture. This guide provides detailed information on anchorages, marinas, and harbours, as well as a wealth of other useful information for sailors.

Sailors who are planning to cruise this region should be sure to purchase this guide. It is an invaluable resource that will help sailors to plan their trip and make the most of their time in Brazil.
